Issue #11 - February 2010

*For the wedding day of the Lamb has come,  
His bride has made herself ready. (Rev. 19:7)*

We have great news for you this month! Sister Mary Faustina made her perpetual profession of vows Feb. 11, 2010 on the memorial of Our lady of Lourdes. You can see the pictures on our [Facebook page](#). They aren't yet on our website.

Also, we have two new postulants. Postulant Myra arrived February 23 and Postulant Yvonne came the next day. They are now getting used to our horarium, learning their way around, details about our prayer life, etc. Please keep them all in your prayers.

We have been busy with travels lately. The [FOCUS Conference](#) in Orlando was a wonderful event. There were about 4000 college students who attended and it appears that the experience has given many of them a new perspective on life. If you are going to college and haven't heard of FOCUS yet, it stands for Fellowship of Catholic University Students. You may want to look them up.

Soon after the conference was the March for Life. Two of our sisters traveled with a group of high school students down to Washington for the March. It is absolutely amazing to see the number of people there, especially young people.

The February retreat began on the fourth. All our sisters attend a week-long silent retreat annually; some go in February and some in August. The retreat master was Archabbot Lambert Reilly, who is the former Archabbot of St. Meinrad abbey. The sisters found his conferences very inspiring. The retreat culminated with the Holy Mass, celebrated by Bishop Daniel Jenky, at which Sister Faustina professed her vows.

Before signing off, here are a couple upcoming events you may be interested in: [Mid-west regional IRL Meeting, March 13](#); [National IRL Meeting, April 9-13](#). Coming would be a great way to learn about religious life!

*May you have a blessed and fruitful Lent,  
so that you may fully celebrate the joy of the Resurrection!*
